Acknowledgements

The Economic Development Department of the Corporation of the Town of Hearst would like to express its sincere thanks for the valuable and exceptional participation of the community in the 100th anniversary celebrations. A centennial year is very special for any community and Hearst is no exception. This is undoubtedly what motivated the members of the organizing committee, resource persons, working group members, volunteers and our sponsors. We are grateful for their support in a countless number of ways.

Thank you to our sponsors!
